Subject: AltEn Call

Hi Candace,

I received a voice message while I was out of the office last Thursday from a landfill in Nebraska with some questions regarding AltEn. They were asking to speak with someone familiar with the issue. It seems like this might be more related to compliance and wanted to check if you or someone on your staff would prefer to return the call.

Here's the caller details, but I would also be happy to forward the voicemail directly: Kelly Danielson from Butler County Landfill in Nebraska at 402-641-8239.

Thanks,
Bethany
